

PHOTO FINISH

PHOTO FINISH is a superior blend of egg proteins, fats, and rolled barley to give a smooth even finish and added muscle shape. To be used in times where added cover and bulk is needed to get the PHOTO FINISH we all want.

Great palatability and aroma to increase appetite during times of stress while keeping that fresh look. Compliments your show ration with added vitamins and minerals to keep a balanced diet. A very user friendly 1 bag approach for Show Ring success.

FEEDING RECOMMENDATIONS

Top dress along with your feed at a rate of 4-16 oz. per head per day along with feed for best results Auto Pilot can be incorporated for added benefit.

FEATURES AND BENEFITS

- Barley based
- Egg proteins
- Added fats
- Balanced vitamins and minerals
- Flavoring to enhance appetite
